GRAND JURY IGNORES
DELAWARE LYNCHINGEight Indictments Against Rioters
Returned Not Recommended.

WILMINGTON, Del., Sept. 30.—Indictments charging eight men with having been leaders of the mob which burned the negro slayer of Helen S. Bishop at the stake on June 22, and charging another with having been one of those who lighted the pyre, were returned, ignored, by the grand jury yesterday.

Chief Justice Charles B. Lore and his associates, Judges W. H. Boyce and James Pennewell, received the report in silence, evidently disappointed. The crowd in the courtroom was ready to applaud the finding, but its first evidence of approval was hushed. The investigation into the lynching of George White, the negro murderer, conducted by Herbert H. Ward, attorney general, therefore is ended. The grand jury's action was unanimous.

GAVE FIRE ALARM
TO "POP" TO A GIRL

TOLEDO, Ohio, Sept. 30.—Unable to span an audience of his sweetheart, who had retired, Anthony Sapronski climbed her father's porch and raised an alarm of fire. When the family came rushing out he seized the opportunity to propose marriage to Victoria Kosinski and was accepted. After the banes were published Victoria began to consider how she had been duped, and she now refuses to marry Anthony.

SLUMP IN PIG IRON
TO CURTAIL PRODUCTION

PITTSBURGH, Sept. 30.—A meeting of the blast furnace interests of the Pittsburgh, Mahoning and Shenango valleys and the Wheeling and Cleveland districts was held yesterday afternoon in the Carnegie building. The object of the meeting was to take some definite action for the purpose of curtailing production. Prices of pig iron have gone to a ruinous stage, and it was deemed that some action was necessary. Nothing definite was done at the meeting except the appointment of a committee, which has full power to act, to fix the proposed reduction of output.

VIENNA SOCIALISTS
DENOUNCE THE CZAR

VIENNA, Sept. 30.—A meeting of 2,000 Socialists was held last night to protest against the visit of the Czar of Russia. Addresses of the most violent character were made. One speaker remarked: "The Czar, whose only instruments of cultivation are the gallows, the prison and Siberia, comes like a thief, affected by the stigma of his crimes, between a cordon of troops." A resolution denouncing the Czar's visit as an offense to Russia's liberal population was not allowed to be passed by the official representative. The meeting broke up with shouts of "Down with the Czar."

DR. LORENZ MADE
NO FAILURE IN LONDON

LONDON, Sept. 30.—Dispatches which have been received here from New York regarding alleged failures of some of the operations performed by Dr. Lorenz on crippled children aroused much interest. The patients operated upon by Dr. Lorenz are reported as progressing satisfactorily, and every hope is entertained that the operations will prove thoroughly successful.

PRINCE HENRY TESTS
A GERMAN SUBMARINE

BERLIN, Sept. 30.—Prince Henry of Prussia is personally superintending the experiments with the submarine boat built at the Germania Works, Kiel. Much secrecy is maintained concerning the new vessel. The only fact definitely known is that the observation tower is large enough to hold two men, and that the tests are being made during storms and in darkness.

MASKED MEN HOLD UP
UTAH GAMBLING SALOON

SALT LAKE CITY, Utah, Sept. 30.—Two masked men at Eureka, Utah, a big mining camp, entered the "Eureka Sam" gambling saloon at midnight, held up the employees and fifteen men who were in the place, obtained \$500 from the gaming tables, and then backed out of the room. As they departed one of the men who had been "held up" pulled a revolver and fired at the retreating robbers. The noise brought the sheriff and the city marshal to the scene, and a pitched battle with the robbers followed, many shots being fired by both sides. In the darkness the robbers escaped to the mountains.

CASSATT AND GOULD
AGAIN TALKING PEACEWall Street Hears of Plans for
Railroad Harmony.

NEW YORK, Sept. 30.—The report has been revived in Wall Street that plans are under discussion between Pennsylvania and Gould-Rockefeller interests for a settlement of their differences. It was asserted by a financier that the latest proposition involved a traffic agreement with the Reading, in connection with the Western Maryland, which Gould owns.

The difficulty in the way of a settlement is declared to be a fixed purpose to prevent Gould from becoming a factor in the anthracite situation. Placed in control of a big coal carrying and mining road, he could make things hot for the "coal combine" if he were at any time so disposed.

George W. Perkins, of J. P. Morgan & Co., made overtures regarding the Erie. It was at first said that control was offered, but it is now asserted that a traffic agreement was all that was held out, and that Gould would accept nothing but control. The same is alleged to hold good as to the Lehigh Valley.

President Cassatt, of the Pennsylvania, and Vice Presidents Green and Rea have been here in conference, but it is "given out" that their discussions have been about the New York terminal.

NORTHERN PACIFIC CO.
IGNORES DYNAMITERS

ST. PAUL, Minn., Sept. 30.—The officials of the Northern Pacific Railway Company have definitely decided to refuse the demands of the gang of unknown dynamiters who threaten to blow up tracks unless they receive \$50,000. General Manager Cooper said: "It is true that a demand for \$50,000 has been made upon the Northern Pacific Company by persons in Montana. We have taken sufficient precautions to make the tracks safe. The Northern Pacific has posted a reward of \$2,500 for the arrest and capture of the dynamiters. The State of Montana has posted another reward of \$5,000 and Polk county, Montana, has offered another of \$500, making a total reward of \$8,000."

HOTEL THIEF CAUGHT
RED-HANDED IN CHICAGO

CHICAGO, Sept. 30.—Awakening in his room at the Sherman House at daylight yesterday morning to find his watch missing, L. A. Worch, of Fort Wayne, Ind., dashed out into the hall, where he saw a man emerging in a stealthy manner from another room with his watch. The clerk and two officers searched the man and recovered \$2,000 worth of jewelry belonging to Worch and \$253 in money that is said to be the property of other guests. To the police he gave the name of Charles Foster, of Timb, Ohio, which is believed to be assumed. The hotel entrances were guarded to prevent escape of supposed pals and the aroused guests questioned as to probable loss.

BIGAMIST ASKS LEAVE
TO APPEAR IN MUSEUM

CHICAGO, Sept. 30.—"Your request is impertinent and insulting," said Judge Brennan Monday. "The court is not lending itself to exhibiting criminals at 10 cents each."

This answer was made to a plea by counsel, that Harold Mills, convicted of bigamy, be released on bonds pending a motion for a new trial, in order that he might appear at a museum and "make money." Mills is in jail pending the motion for a new trial.

ABOUT PORTFOLIOProbable Colonial Secretary Con-
fers With Balfour.

LONDON, Sept. 30.—Premier Balfour and Lord Milner had a three hours' conference yesterday at the former's residence in Downing Street.

It is authoritatively said that an official announcement of the composition of the reconstructed ministry need not be expected before the beginning of next week.

Lord Milner is still considering a definite offer of the colonial portfolio.

In the course of the afternoon the premier also received Mr. Ritchie, who resigned the office of chancellor of the exchequer; Lord Escher, Lord Cromer, the British agent in Egypt; Ian Z. Malcolm, M. P., and other politicians.

Nothing has yet been divulged regarding the personnel of the new cabinet.
